

It may be proper to inform the Gov'
ernor, that in laying down the Geography
of Hudson Bay and the Neighboring Co-
asts we have considered particular care
to follow Capt. Middleton's Principles. But more
particularly that of Capt. Smith and the Officers
of the Hornbeam Ship and Discovery Flotilla from 15 to
22 July 1818. The Author has also
some extracts from a Chart of those parts lately published,
Dedicated to Admirel Dabbs R.N. The Author here referred are
notwithstanding yet Keen to the publick a original Exposition of New Discoveries
from the Exploration of the Polar Glaciers and California as published by Vancouver
in his Map of the discovery of the 40 Geographer's Voyage to Discover the N.W.
passages by Hudson's Straight.
