

## Boutique Hotel & Restaurant “Kukuriku” – special offer for ITF AGM delegates

On the beautiful hill overlooking the Kvarner bay, in the centre of the charming medieval town of Kastav, the gourmet restaurant and boutique hotel Kukuriku is situated. Settled less than 6 km from the sea, at 360 m of altitude, in a moderate Mediterranean climate, you will enjoy great relaxation.

Hedonism is the main guiding principle of this hotel and restaurant, the champion of the slow food movement in Croatia. An avantgarde style and soundness of mind of the owner and famous chef Nenad Kukurin will surely spoil you with his artistic gourmet dishes. His characteristic style and artistic approach towards the culture of the table has given exceptional contribution to Croatian gastronomy and determined much of today's accepted guidelines in sometimes unexpected pairing of food and wine. Nenad is the fifth generation in the family of restaurant owners, winner of many important gastronomic awards and an award-winning sommelier.

We hope that you will visit our Boutique Hotel & Restaurant before or after the ITF AGM meeting, as well as in the future, and let us pamper you.
